ABOUT US

Rose Adima & Associates is a service solution law firm that offers a wide variety of legal services to individuals, local and international corporate bodies.

The Firm is uniquely positioned with a reputation for providing exceptional, specialized legal and business advisory services to achieve innovative solutions to the most complex of legal problems for our prestigious and ever-growing clientele.

At the core of our practice are Client satisfaction, professionalism, and a high regard for ethics and integrity.

As an innovative and pioneering firm, our approach is to glean an understanding of the business and legal issues our Client's encounter in order to develop tailor-made solutions and services to suit them.

We help our Clients nationwide succeed in their business relationships by meeting their legal needs through intimate dealings and understanding of the Client's business and deeper legal needs in order to ensure that our advice is effective.
